BT-7002 Tornador Classic Cleaning Gun

Product Description	
Free Speed	3600 RPM
Air Consumption	20 L/min
Water Consumption	3.6 L/min
Air Pressure	6.3 - 8 Bar
Air Inlet	1/4" or as per your requirement
Alternative Parts	Available
Pot Capacity	1000 ml (1L)

Dirt and grime are immediately released from fabrics, carpet, and solid surfaces. The Tornador Car Cleaning Gun releases a fine mist of cleaning solution that does not over saturate surfaces. You'll see the liquid turning dirty as grime is released from the surface. Wipe with a microfiber towel. Then turn the dial to shut off the water and use the compressed air to dry the cleaned area. It's that simple.

Use the Tornador Car Cleaning Gun on the dashboard, door panels, steering wheel, fabric upholstery, carpet, floor mats, and between seats. The Tornador cleans in tough-to-reach places between seats and in seams. Because it releases so little liquid, surfaces dry quickly. More information please visit website www.brilliatech.com

A: High Quality Plastic Splay of the Gun Head
B: High Quality Brush for of the Gun Head

BT-7002 Change the connector for different functions;
1 set = 2 Gun Heads + 1 bottle + 1 Gun + 2pcs Tornado Guide;

1pc brush head+1pc tornado guide

2pcs Tornado Guide: 1pc assembly in the gun; and 1pc reserve;
