Hi All, i spent sometime searching on net where i could open my company in HK and i found Chui Lai & Co i added Mr Stephen on my skype and wait some hours due to Country time difference. When i was preparing to shut down windows Stephen went online. Today after 2-3 weeks i received my fantastic package with all tools ready to start work with it, so I am very happy that i found him, he is very professional with his work, he explained to me all the steps to open a company, explained to me what was the best option to me and everything, of course on first 10-20 minutes i stay worried thinking if i could trust but its normal, his attention gave to me a trust level because i make him wait some days to test if he was going to continue to answer my questions. So, my last words for Mr Stephen is GREAT JOB could not be less than it for a GREAT PROFESSIONAL! PS: if someone wants to confirm if im telling the true ask him my email will be a pleasure to confirm my comments with anyone.... Att: Giulliano

The overall experience is quite pleasant for me. It is the first company that I set up without being involved by myself. Of course, there was quite a bit of uncertainty and concerns, etc. the fundamental worry is that I will be left alone and nobody would be there to answer my question. I asked a lot of questions, confirmed each step during the process: Stephen is a very helpful guy; who basically answered all my questions without empty promises. Stephen is always there; that really assures me that things will go well in the hands of Stephen. and things did go very well. I have the company setup, name changed, bank account sorted out. All that I would like to say is Thank you to Stephen.

Thanks, Stephen.

Cheers,

Hi Stephen

I just wanted to say thank you for the excellent service setting up my BVI account. The whole process was very straight forward and professional from start to finish. I will recommend your services to people in the future. Just a couple of questions:

Is the annual renewal due 12 months after registration date? Will you send me a reminder for this?

What is your charge for the renewal? Many Thanks

Corin

Dear Stephen, I received the documents to the bank account and bank cards. Thank you very much for your help and that did not disappoint.

With you a pleasure to work and I'll recommend you to their friends.

The bank account I safely activated. But there was one question that I can not decide. How do I transfer the authorized capital to a bank account. Where can I find my bank details and bank account?

Sincerely,

Podgrebelny Alexander

Dear Stephen Lai,

I have received all corporate documents and have received SMS confirmation for both bank accounts being setup with HSBC, still awaiting security devices but expect to see them in the next few days. Thank you kindly for your thoroughness and for facilitating the setup of both entities and bank accounts, a job well done!

I have another entity, Marketec Capital, a BVI corporation, already formed, before becoming aware of your services. I do have a bank account setup already but would like to have another bank account setup with HSBC Hong Kong, can you facilitate this as well? I can provide you with a copy of the corporate documents, etc as necessary.

Look forward to hearing back from you and again, thanks for your excellent work in setting these entities.

Kind regards,

Thanks Stephen,

I received the DHL packet from HSBC!

I got the token and a pin and will sign the document and send it back to you for the bank.

Can you confirm the address I should send it to?

Also, the document mentions a separate activation code that I would receive by sms. What's with that?

Thanks

Michael

Dear Stephen,

Thanks for processing my registration through your office. I am very happy with the proceedings as they happened quickly.

For the bank account at HSBC I do have one question.

I received a confidential letter from the bank yesterday (dated November 27) that my Business Debit Card with the mentioned PIN is ready for collection one week from the date of that advice.

Now how could I obtain this card myself so I can use it in Phnom Penh, Cambodia?

Your answer will be greatly appreciated.

With regards,
