Dear Valued Customer,

We are sending this letter to inform you that, Pentair Clean Air Systems, on December 1<sup>st</sup>, will be retiring the Goyen Timers Series 10, 20, 100 and 200.

Please note that the same identical technology and manufacturing process is delivered to our customers through the Mecair series where the MTS is identical to the 10 series, the MPS is identical to the 20 series, the MT is identical to the 100 series and the MCS is identical to the 200 series.

Looking forward to continue supporting you and your business with our latest solutions.

Kind regards.

由MECAIR公司生产的 GOYEN品牌10/20/100/200型号系列控制仪产品已在2018年停产。

目前客户仍然可选购MECAIR牌子的MTS/MPS/MT/MCS型号控制仪，这些控制仪具备与10/20/100/200型号控制仪完全对等的功能。我们更推荐客户选购新的DS/IS/ISP/ECS型号控制仪产品。
