COMPANY PROFILE

Shenzhen Mraz Industry CO.,LTD is a professional manufacturer in health care electronic products with well-earned reputation since 2007. Our company located in Shenzhen China, covers about 2000 square meters area. Our main products include ultrasonic aroma diffuser, humidifier series. All of products comply with international quality standards. Besides, we have an outstanding experienced management team in new products research development, marketing strategy analysis , production schedule setting and after-sales service.

Mraz always insists on " Quality + Taste" principle, aiming to provide competitive price but also prime quality products. And each product is certificated with CE, FCC, Rohs...which will help our customers to win more market share. Let us work together to make our lives and work full of beauty! If it is convenient for you, warmly welcome to visit our factory!
