Model	WL-500H
Engine	Changfa diesel engine 186F/10HP
Track grounding length	800 mm
Track gauge	600 mm
Track width	230 mm
Start type	Electric
Loading weight	500 KG
Gear box	(3+1) * 2 configuration high low
Drive speed	F 1.8-6.1/R1.8-3.6 km/h
Container size	1400x900x700 mm
Package size	2160x1100x1430 mm
Overall size	2060x1000x1280 mm
Net weight	632 KG
Ground distance	140 mm
Slope angle	20 degree
Lift height	2000 mm
Control type	Hydraulic hand hold
Lift container /dumper	Hydraulic cylinder

Gear Box Configuration Picture.

heavy duty gearbox: $(3+1)*2$ configuration the high and low speed) ,
Adapt to different road conditions for transportation operations.

Engine Power System

Mitsubishi gasoline engine 10 HP Changfa 186F diesel engine 10HP

We can provide power matching standards according to customer needs.

Hydraulic Lifting Dump System

Configuration the high-quality hydraulic motor and double hydraulic cylinder are equipped to be more stable and safer to meet the needs of the work.

Configuration The Rubber Pedrail

Configuration the top quality rubber tracks and the addition of steel wire and steel sheets in the track increase the service life and wear resistance of the track.

Chassis Walking System

The chassis walking system design and produce from absorbing foreign technology, and according to our country Topography and topography to update and change. (www.walijixie.com).

Telescopic Pedal

Optional the Telescopic pedal according to customer need, it can reduce working strength, it's also can work in Swamp and Wetland.

Circuit Output Port

it's used for charge for the battery, also can installation Circuit Structure, like the light or other electric part.

The Container Lift Height

This machine max lift container height more than 210 cm, it's used for transfer transporter in palm garden.

Custom Container Size And Model

The container can according to customer need to design and produce, they are used for the garden and Greenhouse goods transfer transporter.

Mini Crawler Type Garden Machine Series

mini crawler type truck dumper 500KG

mini crawler type truck dumper 1000KG (palm garden transporter)

mini crawler type truck dumper with lift container

Crawler type wood shredder

Crawler type garden work platform

Mini crawler type hydraulic motor drive fertilizer spreader

Mini crawler type remote control garden air blast power sprayer with diesel engine (350-500L) (MB:+86-15165525420).
