

Mini hand hold type garden /agricultural air blast power sprayer gun

Advantage:

- 1) Configuration power: link any type brush cutter engine can to work.
- 2) Work distance: max Vertical 10m, max horizontal 15m.
- 3) Light weight and high efficiency.
- 4) Notice: this machine need to configuration the sprayer pump to work, it's only sprayer gun, not sprayer system.

Side hanging type

Side hanging type

Backpack type.

Model	3WZ-18
Engine model	gas engine 1E40 1.8HP /6500
Engine type	Single cylinder, air-cooled, two stroke
Horizontal range	15m
Vertical range	10m
Droplet diameter	0.5 mm
Outlet wind speed	20 m/s
Sprayer nozzle quantity	6 Pcs
Overall size	1270x350x420 mm
Work efficiency	30 Mu per hour
Net weight	8.5kg
Work pressure	1.2-6 MPa
Flow	1.2-6L/min
Operation type	Side hanging type

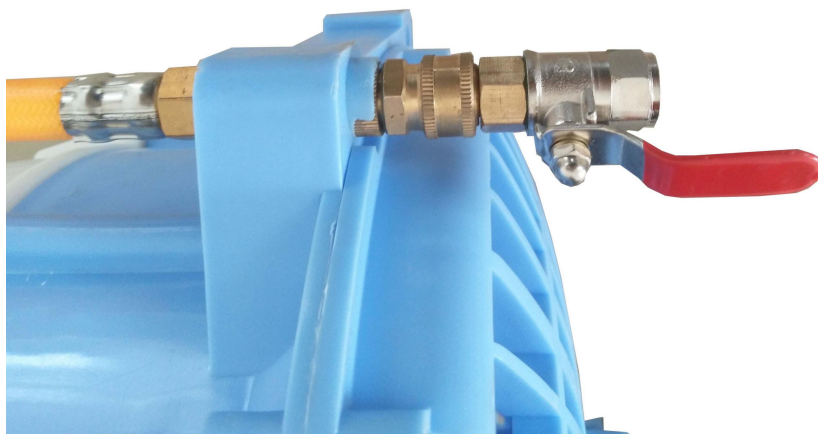

Model	3WZ-15
Engine model	4 Stroke engine 140 1.5HP/6500
Horizontal range	15m
Vertical range	11m
Droplet diameter	0.5 mm
Outlet wind speed	20 m/s
Sprayer nozzle quantity	6 pcs
Overall size	1270x350x420
Work efficiency	30 Mu per hour
Net weight	8 kg
Work pressure	1.2-6
Flow	1.2-6L/min
Operation type	Side hanging type

Fan system main part.

Direct connection type fan warrant the volume and long distance work effect.

Link pipe coupling with sprayer pump

Need to link the sprayer pump offer the water and to work.

Sprayer nozzle and Random Toolkit

Different sprayer nozzle can satisfied different work request.

Package request.

Package way: one set with one package or two set with one package.

Work effect
