# **‘ Cooperation, Innovation,Dreaming**

---

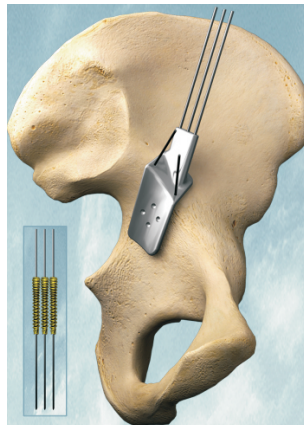

#### Program Guide

1. 10% of the after-tax profit will be put into our fund for innovation each year.
2. Once the project is adopted, the researcher will be funded and the intellectual property of the new project belongs to the original provider.

#### Cooperation Mode

1. Waston Medical is responsible for the registration, promotion, and marketing of the product worldwide.
2. The project will be invested by both parties.
3. The intellectual property is a kind of the intangible asset.
4. Waston Medical also can help our partners grow up by providing loans and talents exchange.
