

(BS) EN 326-1: 1994 (confirmed 2014)

Wood-based Panels - Sampling and cutting of test pieces and inspection

(Specific information on the cutting of test pieces and the expression of test results are available in clauses 6 & 7 of EN 324-1).

Panels Properties for testing by EN 326

Panel Property	EN Standard	Panel Type
Moisture content	EN 322	Plywood, OSB, LVL
Dimensional movement	EN 318	Plywood, OSB, LVL
Density	EN 323	Plywood, OSB, LVL
Modulus of elasticity in bending and bending strength	EN 310	Plywood, OSB, LVL
Internal bond	EN 319	OSB
Swelling in thickness after immersion in water	EN 317	OSB
Plywood & LVL bonding quality	EN 314-2	Plywood & LVL
