企业简介 BRIEF INTRODUCTION

YINHAO is an international organization with long years tradition on research and development.

RUWAY is a combination of research and trading company.

We are specialized in manufacturing and exporting spare parts for white-appliance, e.g. Motor, Drain Pump, Water Valve, Hose, Thermal Protector, Water Softener, Pressure Switch, etc.

We maintain long-standing relationships with engineers and other professionals, while developing new technology in market opportunities. We actively seek new and better way to do things, ensuring our customers always get the most appropriate product & superior service at competitive price.

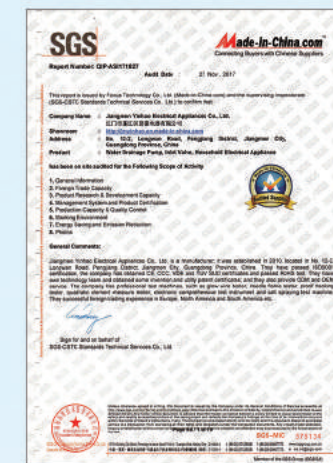

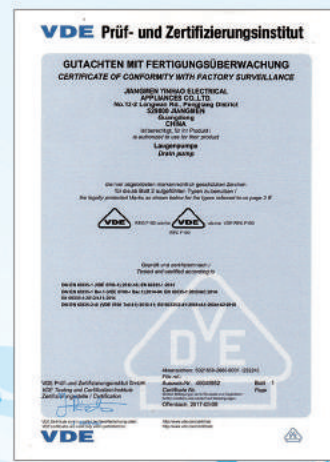

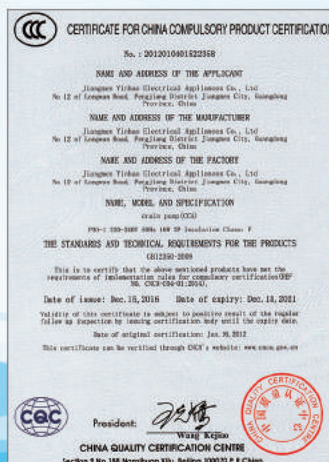

To keep pace with today's fast-growing, innovative business climate, RUWAY strives to remain on the cutting edge by using the latest technology. We attribute our success to building strategic partnerships with our customers and endeavoring to get 100% customer satisfaction.

茵豪是一家具有国际化水平的公司，从事研究开发多年。**瑞威**是一家集研发贸易一体的公司。

我们专注于生产和出口白色家电配件。例如，水泵、水阀、保护器、软水器、水位开关等。

我们一直与工程师及其他技术专家保持长期而密切的联系，运用新技术抓住市场。我们积极寻求更好的做事方法，使我们的客人能够以具有竞争力的价格获得最合适的产品和最优质的服务。

在商业环境日新月异的今天，瑞威凭借先进的技术走在行业的前沿。与客户建立战略合作关系，力求使客户感到100%的满意，是我们成功的源泉。
