Our Products

Corporate Culture

- National High-tech Enterprise, engaged in pumps and valves
- Established in 2010; 6,000 square meters in Jiangmen
- International customers from America, Europe, Asia etc.
- Customers from Fortune 500 including
 - Schneider Electrical
 - KOC Group
 - Turkey Vestel
- ISO9001: 2015 certified company

Corporate Culture

Mission

Vision

Value

Responsibility

Serve our customers
Bear social responsibilities

To be an exquisite World-
Class technology enterprise

Quality in the first place

To achieve results on time in
full within the set timeframe

Geographical

- Lies in Guangdong Province with **complete supply chain** and **infrastructure**
- 40 min to Guangzhou by train
- 2 hours to Hong Kong by ferry

Business Structure

Jiangmen Yin hao Electrical Appliances Co.,Ltd.

Jiangmen Ruway Import & Export Co.,Ltd.

Drain Pump
Workshop

Water Valve
Workshop

Technical Team

- Top-level engineer team, key engineers have more than 20 years experience in R&D
- Certified quality assurance engineer team

YINHAO was honored as a China
National High-tech Enterprise.

Low resonance products were identified as high-tech products.

25 stack permanent magnet synchronous drain pumps
were identified as high-tech products.

Customer Trust

Why choose us?

I highly recognize their professional technologies and products. The best pump & valve manufacturer in china.

by Frank.Rudkowski
From Invensys
R&D Manager

R&D Co-operation

We co-operate with some Higher-Education Academy for science and technology innovation.

Beihang University

- Top University in China
- Top 1 Aeronautics Engineering in the world (Academic Ranking of World Universities, ARWU).
- Strong background in Motor and Pump
 - (1) Washer pump for dishwasher
 - (2) Improve and optimize washing machine drain pump

Wuyi University

- The most famous university in Jiangmen city.
- Advantage in Pump flow research

Technological Innovation

9

Warehousing

Automatic equipment enables us to follow the order schedule and ensures the perfect quality of products.

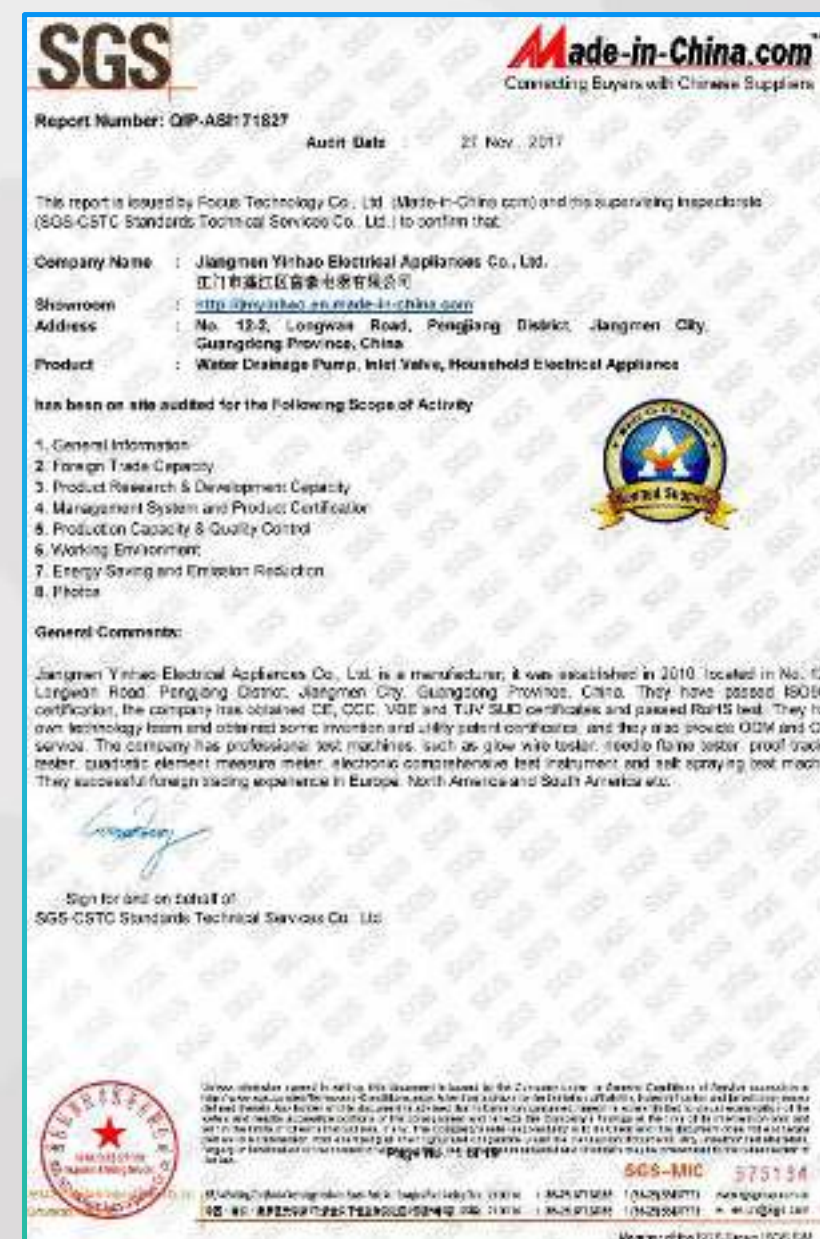

Quality Control

Quality System Certification

ISO 9001:2015 standard system
certificated by Sira.

Field Audited Certificate

Field Audited by SGS on 27th
NOV,2017

ROHS Vertificate by SGS

Key products series passed
ROHS test verified by SGS.

Quality Control

Product Certification

Products have obtained CE, CCC, German VDE and German TUV certificates .

Quality Control

CERTIFICATE OF COMPLIANCE

Certificate Number: UL-05-2120384-4
Report Reference: E520726-00210321
Date: 13-Jun-2021

Issued to: Jiangmen Yitong Electronic Appliances Co., Ltd.
No. 1707 Hongyan Road, Dongying District, Jiangmen,
Guangdong,
China 526000

This is to certify that representative samples of the product specified in this certificate have been tested in accordance with the applicable UL standard(s).

Have been investigated by UL in accordance with the component requirements in the Standard(s) indicated on this Certificate. UL assigned components are complete in certain conventional tests as indicated in performance report file and are intended for installation in accordance with the submitted information to UL.

Report(s) for Safety: UL 729, 3rd Edition, 2013-07-07, Revision: 2020-08-1

Additional Information: See the UL Online Certification Directory at <https://ul.certificate.com> for additional information.

The Certificate of Compliance does not provide a warranty or apply the UL Recognized Component Mark. Only UL-Recognized Components are allowed to apply the UL Mark.

Only products complying with UL-Recognized Component Mark standards are permitted to bear the Certified Component Mark(s) and/or UL Mark(s).

Not for use in Recognized Component Mark on the product.

Solenoid Valve for Water Purifier

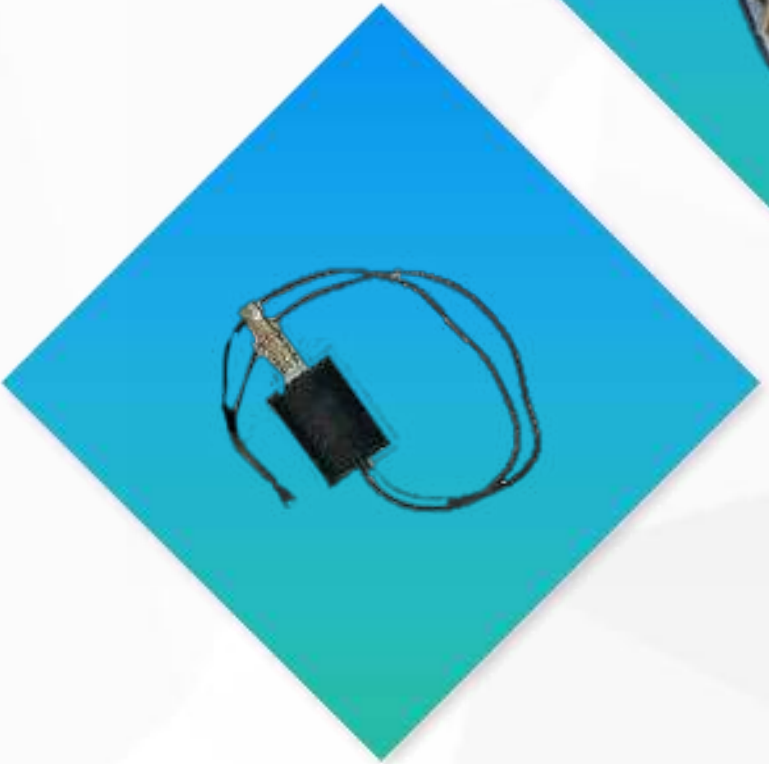

Suitable for water purifiers, RO water dispensers

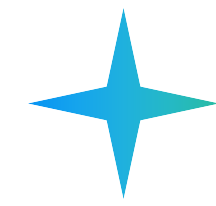

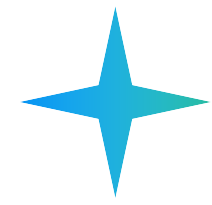

Electromagnet

Applied on electronic facilities, massage device, cash register,
office equipment, ATM, intelligent toys,
home appliances, communication facilities,
mahjong machine, automatic locks,
testing machine, medical equipment,
coffee machine Automatic tea machine pressure-cooker etc.
