Brilliatech do the magic clay with sponge;  
Keep good hand feeling of the sponge with magic clay.  
it is soft and safty, easy to use for car body.  
Support more lolor and size. Welcome OEM ODM

other car care and washing items:

Cover your vehicle in a flurry of foam quickly with the Snow Foam Lance! This foam lance works with a pressure washer to produce thick clinging foam. The high Quality foam lances have reliability performance; support almost connector and Mini-order; welcome OEM ODM;

Tornador Guns: Dirt and grime are immediately released from fabrics, carpet, and solid surfaces. The Tornador Car Cleaning Gun releases a fine mist of cleaning solution that does not over saturate surfaces. You'll see the liquid turning dirty as grime is released from the surface. Wipe with a microfiber towel. Then turn the dial to shut off the water and use the compressed air to dry the cleaned area. It's that simple.
