

Anping ChangSheng Wire Mesh Co.,ltd

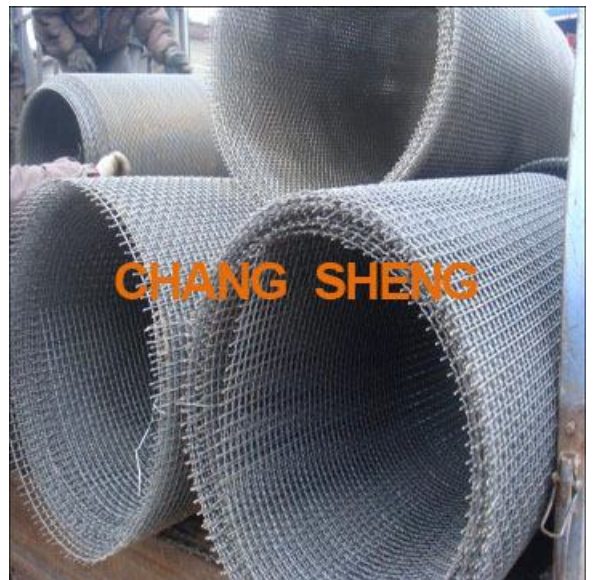

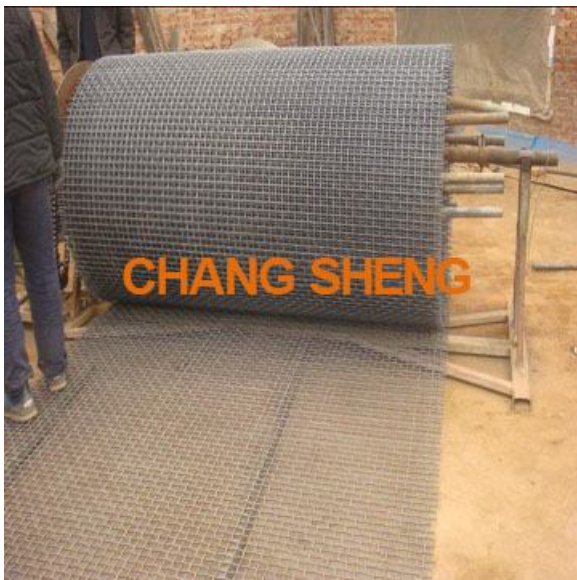

Flat Panel

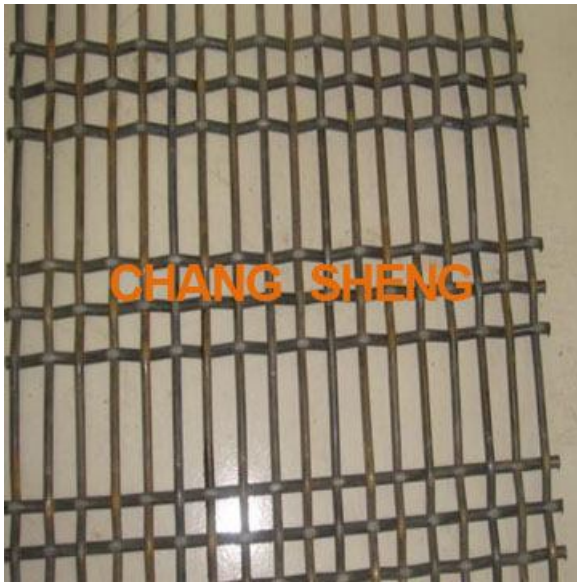

Hooked

Roll

Anping ChangSheng Wire Mesh Co.,ltd

Rectangle hole

Slotted wire

Vibrating screen mesh

Material: High tensile steel, high carbon steel,
Spring steel, Manganese Steel,
Stainless steel

Type: Flat, Hooked, Roll

Uses: Widely used in mining, coal, metallurgy, building materials, refractoriness, light industry, food, and other industries and bulk materials etc field.

Specification:

Anping ChangSheng Wire Mesh Co.,ltd
